Six Principles

- Acts 1:8** Spirit-empowered / *you* will be My witnesses / integrated
- Nationals** Focus on training nationals to conduct - sustain the ministry
- Strategic** Define operating principles to maximize matching of resources with opportunities
- World** The goal is worldwide in scope

- Relationships** Not just “sending money” – we are involved with partners

 - B. That we are **not** currently doing?
3. Are there additional principles that should guide our outreach philosophy?
